WHAT WE OFFER

We cater for all types of four wheel drives, new/old, hard-core or family runabout.

It doesn't matter whether you have owned a 4x4 all your life, or have just invested in one, we have something to offer everyone.

We organise regular day, weekend & extended trips to parts of this great region you may not have realised existed.

We are members of the Queensland Association of Four Wheel Drive Clubs Inc. which oversees all the clubs in Queensland. Whom, in turn are members of the National Council of Four Wheel Drive Clubs in Australia.

The association is always there to give advice and guidance on a host of topics, and advice if we need it. We are also associated to the Australian Tread Lightly Campaign.

MEETS & TRIPS

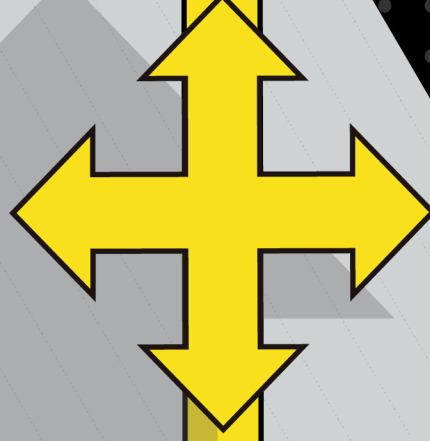

We organise regular club meets, day trips and overnight camping trips. On overnight camping trips we set up a Base camp and we venture out from that location to go and explore.

Up coming events are posted on our Trip Calendar for the year so be sure to look ahead at the dates and see if you can lock a little adventure into your family calendar!
